German intensive courses with accommodation

First impressions count and we know that your desire, or not, to continue studying German in the future will depend on your stay in Berlin. Not only that, the conditions of your accommodation in Berlin will also have an influence on how you enjoy your German course with us. For that reason, **Berlin Language Center - Iberika Group** not only offers you lively and effective classes, but we are also going to try to make you feel at home.

In addition to the different types of German courses, we also have various offers of accomodation available for you in the centre of the city, so you don't lose time getting from A to B and live where the city is bustling, and not in a district on the outskirts. The courses normally take place between 10 a.m. and 1.15 p.m. in our schools in Mitte or Kreuzberg, so you will always have time to enjoy Berlin.

The majority of our flats and apartaments we offer you are in the districts of Kreuzberg, Neukölln or Schöneberg in very central, lively and safe areas with that multicultural charm that makes Berlin a very special city. You have cafes, restaurants, and discos at your doorstep. Here you can get a clearer idea of types of the accommodation we have on offer for you in Berlin and the prices. If you want a single room in a shared flat you can place your reservation making the most of the offer of the package deal. For private apartaments you should stay at least 7 months in the city.
