

One-to-One Courses

In private lessons you learn what, when and where you want! The teaching concept is tailor-made for you. For example, you can prepare yourself specifically for a stay abroad, an exam or a new job. Private lessons are booked in hour packages and can be scheduled flexibly, i.e. you can arrange lessons with us according to your schedule. You can choose between our two schools in Mitte and Kreuzberg. If you would like to register for private lessons, please use our open registration form. Or request a non-binding offer - we will send you one within two working days. We look forward to hearing from you!
